**The
Palestinians**

**ARE NOT
READY**

For statehood

- **They REFUSE to NEGOTIATE with Israel**
 - **They won't recognise ISRAEL as the Jewish State**
 - **They call for Israel's DESTRUCTION**
 - **They fire ROCKETS into Israel**
 - **They reward terrorists with PAY FOR SLAY**
 - **They incite HATE against the Jewish People.**
 - **They make FALSE ALLEGATIONS against Israel**
 - **They do not recognise the Jewish right to the land.**
-

If all of this mutates into a recognised State it will not mean PEACE but WAR.

ANSWER: Negotiate with Israel NOT the NZ Parliament!

The New Zealand House of Representatives should not be fooled by another slippery attempt by the Palestinian leadership to circumvent NEGOTIATIONS with Israel, as agreed upon in the Oslo Accords.

New Zealand SHOULD NOT recognise a Palestinian state until an agreement with ISRAEL is reached!
